

Which QBOT Drive Assemblies do you have?

Style A

Manufactured from 2008-2010.

Designed for use with lightweight mid-arm sewing machines only. Note: for use with heavy long-arm sewing machines, they should be Retrofitted or replaced.

Style B

Manufactured 2010-present; included with all new-in-box factory-packaged QBOTs.

Designed for use with all QBOT-compatible sewing machines.
